AFTER PARTICIPATING IN DFS HOUSTON PROGRAMS

25 YEARS

OF EMPOWERING JOB-READY WOMEN AND CREATING SUSTAINABLE CHANGE IN THEIR LIVES, THEIR FAMILIES, AND OUR COMMUNITY. THANK YOU TO THE INDIVIDUALS, FOUNDATIONS, AND CORPORATIONS THAT ALLOW US TO SERVE THE WOMEN OF DRESS FOR SUCCESS HOUSTON (DFS HOUSTON) WITHOUT GOVERNMENT OR UNITED WAY FUNDING.

IN 2022,

1,934

In 2023 our new hybrid model for programming enables us to reach a woman where she is. While returning to the comradery of in-person meetings is essential for many clients, others need the flexibility of online programming. The new hybrid model is about expanding access. It allows clients who otherwise would not be able to participate to be active members of our community and benefit from on-demand educational programming.
